*Fresh water in flux: challenges and opportunities in an uncertain world*

New Zealand Freshwater Sciences Society  
Ngā Kohinga Wai o Aotearoa

## NZFSS & AFSS JOINT CONFERENCE 2025

We would like to invite you to be part of this year's **New Zealand Freshwater Sciences Society** and **Australian Freshwater Sciences Society Joint Conference**. The Joint Conference will be hosted in Christchurch from Sunday 30 November to Thursday 4 December 2025.

The conference theme, *"Fresh water in flux: challenges and opportunities in an uncertain world"*, highlights the dynamic and evolving nature of our freshwater ecosystems and their governance. This theme underscores the pivotal role of working together in addressing the complex issues affecting fresh water and emphasizes the importance of innovation in freshwater science and management. By bringing together researchers, policymakers, and practitioners from across different knowledge systems, we aim to foster collaboration, share perspectives and build resilience to navigate the complexities of freshwater management.

The programme will include plenary speaker presentations as well as special and contributed sessions, poster displays, a diverse array of exhibits, networking functions, and field trips that showcase Canterbury's unique environments and attractions. The Conference is likely to attract over 350 delegates from across Australasia to Christchurch for the week, providing you with an unequalled opportunity to showcase your business to representatives from all levels of government, universities, research and management agencies, suppliers and consultants engaged in freshwater science. We also anticipate a public-facing component to this conference, further expanding these opportunities.

The success of events such as this depends significantly on sponsorship from organisations such as yours. In return for your support, we would like to offer you the opportunity to profile your business at the Conference and attract support to your organisation from Conference delegates. This proposal outlines various levels of involvement to suit every budget and marketing objective, and we encourage you to explore the benefits of participating as a sponsor. If there are other ways in which you would like to participate, we would be happy to discuss these with you. We look forward to seeing you in Christchurch later this year.

On behalf of the NZFSS/AFSS Conference Committee.

**Issie Barrett**  
*Conference Chair*
